

INFORMATION FOR CAMPERS

This information has been created to assist you with camping within the Shire of Nannup, including legislative and local requirements.

OPTIONS FOR CAMPING:

Several options are available to campers in Nannup. In addition to the Nannup Caravan Park, there are other venues to accommodate visitors within our Shire. Find these and more information on the Experience Nannup App, downloadable on both Apple and Android services.

Under the Caravan Parks and Camping Grounds Act 1995, it is an offence to camp, other than in a registered Caravan Park or Camping Ground. If camping locations are set up outside of designated areas, each person caught camping may be issued with a \$100 penalty.

Illegal camping on public reserves, parks, streets and properties may cost you a \$100 on the spot fine. With permission of private landowners you can camp on private property for up to 72hrs only.

The Shire of Nannup's Ranger Services regularly patrol and investigate reports of illegal camping during events. They can be contacted at the Shire of Nannup on 9756 1018.

Please note that during the prohibited burning season, fines of \$250 apply for lighting any open fire. Gas barbecues are permitted.
