

FIREBREAK AND FUEL HAZARD REDUCTION CONTRACTORS

Below is a list (in alphabetical order) of contractors that can help with firebreak clearing and/or fuel hazard reduction. The Shire of Nannup does not recommend or endorse any particular contractor. The list of contractors is provided for information purposes only, and the Shire of Nannup will not accept any responsibility for engagement of actions and works carried out by listed contractors. It is the landowner's responsibility, not the contractors to ensure that work is carried out to the required standard. The Shire recommends checking contractors' qualifications, accreditation, insurances, competency and/or capabilities.
