

## Welcome to Nannup – Become a Volunteer!

Dear Resident,

On behalf of the Shire of Nannup, welcome to our community.

Nannup is a close-knit community with a proud history of volunteering and supporting one another. Many of the services that help keep our community safe, resilient, and prepared for emergencies rely on local volunteers who generously contribute their time and skills.

We encourage you to consider becoming involved with one of our local volunteer emergency service organisations, including the Bush Fire Brigade and the State Emergency Service (SES). Volunteering is a rewarding way to meet people, learn valuable new skills, contribute to your community, and help protect the people and places that make Nannup special.

As a resident or landowner, it is also important to know that your local Fire Control Officer (FCO) is a key point of contact for bush fire management matters. During Restricted Burning Periods, permits may be required for burning activities, and your local FCO can provide advice and issue permits where appropriate. FCOs can also assist with firebreak requirements and provide consultation regarding fire prevention measures on your property.

If you are interested in becoming a volunteer or would like further information on bush fire permits, firebreaks, or local emergency services, please contact your area Fire Control Officer.

Call the Shire office on 9756 1018 or visit the website [Fire Control Officers » Shire of Nannup](#)

Nannup SES contact number is 0427 561 322 Email: [nannupses@gmail.com](mailto:nannupses@gmail.com)

We thank you for choosing to make Nannup your home and look forward to welcoming you as an active member of our community.
