I have lived and worked in Nannup for 3 years, firstly I worked at the Shire offices, then the CRC & Claire & I opened Nannas Pantry in 2023. Personally, throughout my time living and working in Nannup I have found the community spirit in the town exceptional. I firmly believe retaining the village atmosphere and community spirit is essential when considering future development opportunities.

As a Chartered Accountant with 35 year experience in UK & Australia across commercial and government enterprises I believe the Council must deliver value for money on all local services. If elected I will work tirelessly to preserve our unique lifestyles by focusing on transparent governance & sound financial management. An able, effective & efficient council will deliver a high standard of services our residents deserve, whilst being mindful of retaining the community spirit.
