Privileged to reside here 45 years, like you I stayed out of love for the forest and the people of Nannup. While Governments pay lip service to caring for the Earth and people, their actions speak often of serving globalist corporations ( eg spraying Round Up and urging experimental non vaccines) while logging and burning further degrade our health and environment. Not in support of mining here, nor Water Corp's plans to add Northcliffe and Pemberton to the 10 towns reliant on the Thomas Rd Bore. Mining of fossil waters, the Yarragadee, is RAVAGING the bush and threatening both our lifestyle and vital tourist trade! Democracy stands on free speech. I'll fight censorship, promoting respectful debate and freedom to present HONEST science on vital issues, uniting our community with FACTS. To those silenced and blocked in 2020, I'll hear you and be your voice to council. A business owner 20 years, I'll keep rates down and represent all who want a safe place to call home in Nannup.
