I am standing in this local election to continue to shape the future direction of our unique local community. Since I was elected to Nannup council in 2024, it has been my privilege to give back to a community I respect, to represent the varied views of the Nannup community to the council and in turn, explain council policy and decisions to community members. I firmly believe our Nannup community to be open, honest and accepting of diverse beliefs, we may not agree on everything, but our community is prepared to engage in respectful debate and build effective working relationships. Throughout my time on council I have worked hard to communicate clearly and listened to others points of view. As a Chartered Accountant with 35+ years experience in commercial and government entities, I use my financial skills and business expertise as a basis to shape local decisions which I believe benefit the district of Nannup.
