Stephen Gallagher
Event Manager, 2026 UCI Gravel World Championships
Cycling Eventures Pty Ltd
1/61 Clarke Street
South Bunbury WA 6230

Dear Stephen,

Re: Support for the 2026 UCI Gravel World Championships

The Shire of Nannup is pleased to confirm its strong support for the 2026 UCI Gravel World Championships, scheduled to be hosted in Nannup in October 2026.

Cycling Eventures Pty Ltd has submitted a formal request to host the Championships in Nannup, including the establishment and operation of a Race Village within the Foreshore Park, Brockman Street Festival Precinct, and Village Green and an Event Campground at the Nannup Recreation Centre Precinct.

At its Ordinary Council Meeting held on 26 June 2025, the Nannup Shire Council resolved to endorse this request, subject to the following conditions being met:

- Completion of all relevant Shire of Nannup event permit and licensing approval processes;
- Consultation and agreement with the Nannup Golf Club regarding the use of the golf course area;
- Consultation and agreement with the Nannup Sport and Recreation Association concerning the use of the Function Centre;
- Identification and agreement on an alternative emergency helicopter landing site by the Shire and Cycling Eventures, should the oval be required for event use.

The Shire of Nannup looks forward to working collaboratively with Cycling Eventures and all stakeholders to ensure the successful delivery of this prestigious international event.

Yours Sincerely,

David Taylor
CHIEF EXECUTIVE OFFICER
