Subject: [External] Feral Pig Action Funding

Hi David,

Further to our previous correspondence concerning a feral pig baiting system, I now would like to ask for a contribution of \$3000 from the Shire of Nannup.

This would allow for us to ultimately purchase three of the Hoggone feeding troughs, some Feral Pig Attractant, food for pre feeding and a small amount for incidentals.

We believe that we would then be in a position to make an effective difference to the feral pig population with our Hoggone system being used in conjunction with DBCA's program.

Please let me know if you require any further information.

Regards,

Brad Russell
