

Nannup Family Collective
Old Kindy Building, Box 242
Nannup
WA 6275

17 November 2025

Hi Nicole,

I am writing to confirm that the Nannup Family Collective have sourced funding for supply and install of nature play equipment at the Old Kindy Building.

This includes a Lotterywest grant, including bespoke sensory equipment including a music wall, mushroom bell seats, sensory totem and log abacus to the value of \$8,800 (incl. GST).

Talison Lithium have confirmed a Community Grant including the Basket Swing, Mini Monkey and Stump Fort with slide to the value of \$55,000 (incl. GST).

Nannup Family Collective approves the works being undertaken by the Shire of Nannup, and the Shire to invoice the Nannup Family Collective directly for the play elements as outlined above, acquired through the two additional grant funding streams.

Sincerely,

Laura Francis-Kingshott
Nannup Family Collective President
