### BACKGROUND:

The Nannup Geopark are seeking a financial cash contribution from the Shire of Nannup in support of their other funding applications.

The total project estimate is \$850,000 and is to be funded entirely by external funding sources.

Talison Lithium has committed \$200,000 and the group are in discussion with Lotterywest for a funding contribution of between \$350 - \$400,000 with Lotterywest advising they may consider increasing this contribution to \$562,000 if Nannup Geopark can achieve funding from other sources.

### COMMENT:

The funding request is only redeemable if Nannup Geoparks are successful in their \$562,000 Lotterywest funding application.

It is expected that this funding confirmation will be by the end of the 2025/26 financial year.

Nannup Geoparks are refining the design and have reduced costs by \$96,000.

They are seeking a \$20,000 cash commitment from the Shire of Nannup to support their negotiations with Lotterywest to increase their funding to \$562,000.

### STATUTORY ENVIRONMENT:

Local Government Act 1995.

### POLICY IMPLICATIONS:

Nil.

### FINANCIAL IMPLICATIONS:

\$20,000 cash commitment which is only redeemable if successful to achieve the additional Lotterywest funding.

**RISK MANAGEMENT MATRIX:**

The Shire, through its adopted Risk Management Framework, has identified a number of risk areas that need to be assessed and where necessary treated, like, but not limited to:

Audit risks	Financial and credit risks
Operational risks	Technological and IT risks
Compliance and regulatory risks	Environmental risks
Legal risks	Strategic risks
Political risks	Sustainability and security risks

Officers have undertaken a Risk Assessment which is shown below:

<b>Risk</b>	<b>Likelihood</b>	<b>Consequence</b>	<b>Risk Rating</b>	<b>Risk Description</b>	<b>Mitigation/Controls</b>
Lotterywest funding application unsuccessful	3 – Possible	2 – Medium (Financial impact: potential loss of strategic opportunity, reputational concern)	Medium	if the \$562,000 Lotterywest application is unsuccessful, the Shire's support does not leverage the intended outcome, and the project may not proceed.	Make contribution strictly conditional on Lotterywest success Require written confirmation from Nannup Geopark before releasing Regular progress updates from the group
Shire's \$20,000 contribution does not significantly influence Lotterywest decision	3 – Possible	2 – Medium (Reputational: perceived ineffective investment)	Medium	The Shire's contribution may not materially strengthen the case, creating reputational risk if the funding fails.	Require evidence that the Shire contribution is a defined criterion for increased Lotterywest funding public communication plan clarifying conditional nature of support
Project cost estimates change despite reduction	2 – Unlikely	2 – Medium (Financial)	Medium	Although costs have been refined (reduced by \$96,000), future changes may impact deliverability and funding adequacy.	Request detailed project budget and contingency Require updated costings before release of Shire funds Ongoing monitoring milestones

Reputational risk if project does not proceed after Shire commitment	3 – Possible	2 – Medium (Reputational impact due to public visibility of contribution)	Medium	If the broader project fails despite Shire support, community may question value of the \$20,000 commitment.	Clear messaging that funds are only released after successful Lotterywest approval • Transparent Council reporting on decision rationale
--	--------------	---	--------	--	--

#### STRATEGIC IMPLICATIONS:

The Shire's conditional \$20,000 contribution would strengthen Nannup Geopark's ability to secure up to \$562,000 in Lotterywest funding, providing a high return on a small investment. The contribution enhances the Shire's reputation as a proactive partner in regional initiatives and supports tourism, place-making and economic diversification objectives. As the funding is only released if the Lotterywest application is successful, financial risk to the Shire is low, though clear communication is required to manage community expectations.

#### VOTING REQUIREMENT:

Simple Majority

#### OFFICER RECOMMENDATION

That Council support the Nannup Geoparks request for a \$20,000 financial commitment to support their application to Lotterywest and that this commitment is redeemable on the successfully confirmation of the additional Lotterywest funds.
