FOREWORD FROM SHIRE PRESIDENT AND CEO

On behalf of the Council of the Shire of Nannup, we are very pleased to present the Shire of Nannup's Corporate Business Plan for 2022 – 28. This plan sets out our priorities and activities that the Shire will undertake in response to the aspirations and objectives stated in our Strategic Community Plan.

As Nannup grows over the coming years, this plan will help ensure that we remain focused on building a thriving, inclusive, sustainable community that values its heritage and celebrates and protects its natural environment. We are a Shire where people want to live, work, play and invest, and we'll work to grow our economy and our amenity to create a balanced lifestyle for our community.

We'll continue to support and enhance our rural lifestyle, while improving connectivity and enhancing safe access into and through town and the wider region, and create exciting and diverse trail based offerings as we move towards becoming a Trail Town.

Through this plan, we'll work to ensure that everyone in our community is supported to live their lives to their full potential. We'll strive to create a family friendly town with opportunities for young people to grow and learn in our Shire, and to support older adults to live and age well, with access to the services and support they need.

This plan will continue to evolve in partnership with the community, to reflect your priorities and needs. Thank you to everyone who provided their feedback through the Strategic Community Plan review process, and for the contributions you make each day to our community.

Each focus point has strategies to achieve them, which are supported by a set of activities and initiatives.

The Corporate Business Plan will be reviewed annually using the Annual Budget to set and prioritise our short term goals. Council will provide an update on its progress in achieving the strategies in this document, by providing an update in our annual report to the community.
