ATTACHMENT: 11.4.1 - Councillor Code of Conduct

BACKGROUND:

The Code of Conduct for Elected Members, Committee Members and Candidates (Code of Conduct) sets out the standards of ethical and professional behaviour expected of Shire of Nannup council members, committee members and election candidates.

COMMENT:

It is good practice for Council to adopt the Code of Conduct for Elected Members, Committee Members and Candidates after each local government election process is completed.

The Shire of Nannup did not hold an election in 2023 as the Councillor nominations were declared elected unopposed at the close of nominations, which meant the number of candidate applications that were received matched the number of Elected Member position vacancies. This re-election became official on Saturday 21 October 2023 and these returning councillors were sworn in on Tuesday 24 October 2023.

As part of this process, the Code of Conduct for Elected Members, Committee Members and Candidates document has been reviewed.

Development Policy

LOCATION/ADDRESS: N/A

NAME OF APPLICANT: N/A

FILE REFERENCE: ADM 9

AUTHOR: David Taylor – Chief Executive Officer

REPORTING OFFICER: David Taylor – Chief Executive Officer

DISCLOSURE OF INTEREST: Nil

DATE OF REPORT: 14 November 2023

ATTACHMENT: 11.5.1 - ADM 24 - Councillor Training and Professional

Development Policy

BACKGROUND:

On 20 October 2019, the legislative changes contained within the *Local Government Legislation Amendment Act 2019* (the Amendment Act) came into operation across Western Australia. As a result, councillors are required to undertake training in accordance with sections 5.126, 5.127 and 5.128 of the *Local Government Act 1995* (the Act). This training provides councillors with the skills and knowledge to perform their role as an elected member.

With the introduction of the Amendment Act, Local Governments across Western Australia have received notification from the Department of Local Government, Sport and Cultural Industries (DLGSCI) to prepare and adopt a "Continuing Professional Development" policy that relates to the training of councillors. The rationale for the introduction of this policy is that it is recognised that councillors:

- have a unique and challenging role;
- oversee multi-million dollar budgets and make difficult decisions that impact the well-being of communities;
- unlike board members, are not selected for the role based on their knowledge and experience, but on their leadership and willingness to contribute to the community;
- once elected, are required to make decisions on matters as diverse as planning applications, budgeting, rates, support for community organisations, long term planning for the district and the recruitment of and employment relationship with the Chief Executive Officer (CEO); and
- are also expected to understand and comply with meeting procedures, conflicts of interest and codes of conduct.

COMMENT:

The policy was desktop reviewed in July 2023 with no amendments made. The policy has now been reviewed post the 2023 local government elections with no amendments recommended.

The mandatory training component is a minimum requirement and cannot be changed. The component that Council should consider as part of this review is the amount allocated annually to ongoing professional development of Council being currently an allocation of \$1,500 per Councillor.

STATUTORY ENVIRONMENT:

Local Government Act 1995 Section 5.12

- "(1) A local government must prepare and adopt* a policy in relation to the continuing professional development of council members.
- * Absolute majority required.
- (2) A local government may amend* the policy.
- * Absolute majority required.
- (3) When preparing the policy or an amendment to the policy, the local government must comply with any prescribed requirements relating to the form or content of a policy under this section.
- (4) The CEO must publish an up-to-date version of the policy on the local government's official website.
- (5) A local government —
- (a) must review the policy after each ordinary election; and
- (b) may review the policy at any other time."

POLICY IMPLICATIONS:

ADM 24 Councillor Training and Professional Development Policy

FINANCIAL IMPLICATIONS:

\$1,500 per councillor will be included in the annual budget for ongoing professional development.

In the year of an election, a budget allocation will be made so that successful councillors can complete the mandatory training.

REPORTING OFFICER: Nathan Manning – Community Emergency Services

DATE OF REPORT: 13 November 2023

ATTACHMENT: 11.6.1 - Shire of Nannup Recovery Plan

BACKGROUND:

The Local Recovery Plan has been prepared in accordance with section 42(4) of the *Emergency Management Act 2005* and forms part of the Local Emergency Management Arrangements for the Shire of Nannup.

The purpose of the Shire of Nannup Recovery Plan is to describe the arrangements for the effective management of recovery at a local level, including accountability and responsibility.

Recovery activities will normally commence in conjunction with emergency response activities and may continue for an extended period of time after emergency response activities have concluded.

The objectives of the Shire of Nannup Recovery Plan are to:

- describe the roles, responsibilities, available resources and procedures for the management of recovery operations following an emergency impacting the Shire of Nannup.
- establish a basis for the coordination between all Hazard Management Agencies, emergency services and supporting agencies which may become involved in the recovery effort; and
- provide a framework and guidelines for recovery operations and processes.
- Ensure self-care of staff, volunteers and community members is acknowledged and supported.

COMMENT:

Revision by Shire officers has identified that the Shire of Nannup Recovery Plan did not include a Wellbeing and Self Care Plan. This has now been incorporated into the plan as per Attachment 11.6.1.

The Community Emergency Services Manager (CESM) has been a new addition under the Council Responsibilities During Recovery Phase section of the plan.

The Shire of Nannup Recovery Plan was tabled and endorsed by the Local Emergency Management Committee at their November 2023 meeting.

BACKGROUND:

Nannup Music Festival has been a long-standing festival in Nannup for many years and has become a well-known and popular annual event for many people. It is a highly respected festival and one that the Nannup Council values and acknowledges.

The Nannup Music Festival is held on the long weekend in March and has become a major festival in WA. It has grown significantly over the years and has attracts high levels of talent.

In 2020, the COVID-19 pandemic impacted the world, the Nannup Music Festival was lucky and occurred just before the world went into lockdown. This festival had an open style event that was inclusive for all with every stall and food vendor being located in the non-ticketed areas on Brockman Street and the only ticketed areas were those where the specific artists were performing. This enabled the Nannup community access to the food vendor offerings, inspect the stalls and be involved in the general vibe of the festival.

In 2021, the festival ran under strict COVID-19 rules and restrictions set by the Federal and State Governments. This meant the festival had no choice but to have a completely gated and closed festival in order to control number of ticket holders only. This was out of their control and it was disappointing for the Nannup community as they always look forward to going down to the festival and enjoying the atmosphere. The festival was able to be held in such difficult circumstances imposed on it and the organisers are to be commended for facilitating a festival to happen at all.

In 2022, no festival occurred due to the COVID-19 restrictions, creating difficulties and it being unviable to run the festival that year.

In 2023, the COVID-19 restrictions had been removed and life was back to post- pandemic normal. This festival marked a significant change in the style of the way the festival was run, whereby the festival had a significant closed area which restricted community access to food vendors and the vibe by halving the festival precinct (Brockman Street) via a large closed off ticket only section. This significantly reduced the ability for community involvement and really changed the atmosphere of the festival from the community's perspective. It is appreciated that there were stalls and food vendors outside the ticket only area and there were artists scheduled at establishments around town but the closed off atmosphere rather than a town festival style atmosphere is what this motion is about.

The festival is a not-for-profit entity that the Shire has been a strong supporter of since its beginning via annual grant contributions, self-supporting loans enabling them to purchase two properties in Nannup's Brockman Street Festival Precinct to support the Nannup Music Club. Although the NMC provides significant free content during the festival for non-ticket holders and residents, the recent change of style by restricting access to Brockman Street and the Foreshore parking area has created a sense within the Nannup community that it doesn't have the community at its centre.

At the September 2023 Council meeting a motion similar to this motion was endorsed by Council which would have taken affect as of the 2024 Music Festival. Through consultation with the Nannup Music Club, it was indicated that the short timeframe leading up to the 2024 festival would make this change unachievable, which would likely have led to the cancellation of the 2024 festival. Discussions with the NMC committee indicated they could work with Council for changes to the 2025 festival to allow for changes to the festival format that would more align with Council's direction and the community's wishes.

At the October Council meeting I moved a revocation motion to enable the already planned 2024 festival to proceed in its current planning.

This motion is aimed at addressing the needs of the Nannup community whilst supporting the Nannup Music Club. I hope this motion will enable Council, Nannup Music Club and members of the Nannup community to work together for a successful and an even more community inclusive Nannup Music Festival in 2025.

OFFICER COMMENT:

Cr Brown's background provides an accurate timeline and how the Council has reached this position. Since the decision in September 2023 was made, the Council and the Nannup Music Club met on two separate occasions. The purpose of these meetings was for Council to hear the Nannup Music Clubs plea to defer the decision as they had plans and supply contracts in place that could not be altered. If the decision were to remain, the Nannup Music Club stated they would simply not be able to hold a 2024 event. The Nannup Music Festival in their plea stated their commitment to work closely and having meaningful discussions with the Shire in

relation to an open festival design for the 2025 Music Festival. Council were empathetic to this plea and the revocation motion was put forward at the October 2023 Ordinary Council Meeting to remove the previous decision to allow the Nannup Music Club to confirm the 2024 festival.
