## VALUES

We promote and enhance the following values in all our relationships with our community:
Honesty in our dealings
Integrity in our actions
Consistency in decision making
Teamwork in our operations
Respect for others and their decisions
Caring for people in our community
Commitment to decisions and roles
Responsive to the needs of others
Effective communication with all

## FOREWORD FROM SHIRE PRESIDENT AND CEO

#### Abstract

On behalf of the Council of the Shire of Nannup, we are very pleased to present the Shire of Nannup's Corporate Business Plan for 2022 - 28. This plan sets out our priorities and activities that the Shire will undertake in response to the aspirations and objectives stated in our Strategic Community Plan.

As Nannup grows over the coming years, this plan will help ensure that we remain focused on building a thriving, inclusive, sustainable community that values its heritage and celebrates and protects its natural environment. We are a Shire where people want to live, work, play and invest, and we'll work to grow our economy and our amenity to create a balanced lifestyle for our community.

We'll continue to support and enhance our rural lifestyle, while improving connectivity and enhancing safe access into and through town and the wider region, and create exciting and diverse trail based offerings as we move towards becoming a Trail Town.

Through this plan, we'll work to ensure that everyone in our community is supported to live their lives to their full potential. We'll strive to create a family friendly town with opportunities for young people to grow and learn in our Shire, and to support older adults to live and age well, with access to the services and support they need.

This plan will continue to evolve in partnership with the community, to reflect your priorities and needs. Thank you to everyone who provided their feedback through the Strategic Community Plan review process, and for the contributions you make each day to our community.

## INTRODUCTION

The Shire of Nannup covers over 3,000 square kilometres, with a total population of 1,538 (REMPLAN data). Much of the Shire is forested, however, the rich soils, high rainfall and an excellent climate also provide ideal conditions for farming. A respect for Nannup's environment and heritage drives our community culture.

While small in size, Nannup boasts success in various industries that benefit local tourism and the economy. The diverse sectors represented in Nannup include beef and dairy cattle and wineries, arts and crafts, horticulture, flowers and marine life and timber processing. Having both National Parks and State Forests, Nannup is a significant tourist attraction for the region and is especially popular with outdoor adventure enthusiasts. Nannup hosts several important local events including the Nannup Music Festival, Flower and Garden Festival, Forest Car Rally and popular cycling events such as Tour of Margaret River and Seven.

## OUR COMMUNITY'S FEEDBACK

The community identified key priorities and aspirations, including:

- Attraction and retention of residents, tourists and businesses
- The importance of the environment and protecting and showcasing natural assets
- Economic development and diversifying the economy
- Engagement and leadership
- Supporting young people and the aged
- Infrastructure and amenity
- Planning, and retaining and protecting the unique character of the town

Over the course for the next six years, these key priorities will be a focus, and will shape the activities, resourcing and planning for the Shire.

## WHAT IS A CORPORATE BUSINESS PLAN?

The Corporate Business Plan and the Strategic Community Plan are the primary documents that form part of the integrated planning and reporting framework legislated by the State Government that give communities the opportunity to shape their own future.

The Integrated Planning and Reporting framework is depicted in the diagram below, which illustrates the relationship between the Shire's strategic and operational documents, highlighting the position of the Corporate Business Plan within this planning hierarchy. The Integrated Planning and Reporting framework is depicted below:

Long term financial plan
Workforce plan
Asset management plan Other service area or development strategies

## OUR STRATEGIC COMMUNITY PLAN STRATEGIC THEMES

The first iteration of the Strategic Community Plan was launched in 2017 and was developed through community consultation. In 2021 the Shire conducted a strategic review of the plan and updated it to reflect the views and feedback provided by the community.

Within the themes Community, Economy, Built Environment, Natural Environment, Health and Shire leadership, the Strategic Community Plan outlines focus points and strategies to deliver outcomes for each strategic theme.

This Corporate Business Plan identifies timing, resources and actions and initiatives to deliver the strategies.

## Our Community Statement:

We are a unique Shire that role models sustainability, friendliness, and we are proud of and engage with our heritage, festivals and events. We embrace innovation and encourage investment to attract visitors and create opportunities for our residents. We have a charming historic town centre, which we value and our future development will be in keeping with this unique character. We are surrounded by nature, which we strive to celebrate and protect. We aim to improve the health outcomes of all people living in our community. Our leaders listen to the community, are transparent, and act with integrity.

## Our Community

We role model sustainability, friendliness, and we are proud of and engage with our heritage, festivals and events.

- We will retain our pride in being a small, unique and friendly town that is a vibrant and engaging place to live
- We respect and value our aged, and we seek to ensure they are supported
- Youth and young families are important and we will focus on making Nannup a great place to grow up where families can thrive

## Our Economy

Well planned, managed, sustained growth is the key to Nannup's future.

- We will grow our economy in ways that add value to our community and create diverse opportunities for our residents
- We will work together to attract people, investment and innovation to our Shire
- Our Shire will be recognised as an important source of food production for Western Australia, and we will support the agriculture sector to grow and diversify

## Our Built Environment

Keep the charm and fabric of Nannup while expanding infrastructure, housing and amenity.

- We will protect and enhance the charm and fabric of our unique Shire
- We will develop the amenity and housing in line with the existing character of the town
- We will provide quality planning outcomes for community benefit through quality consultation
- We will advocate to increase the coverage of our communication systems

## Our Natural Environment

We are surrounded by nature, which we strive to celebrate and protect.

- We will protect, manage and enhance our natural assets, including our forests, managed bushland, rivers, agriculture and our pristine coastline
- We will continue to ensure that our built environments exist in harmony with our natural landscapes
- We will strive to transition to cleaner sources of energy, and to incorporate and support environmental sustainability through our built environment, our economy, and to create unique experiences for our visitors

## Our Health

We aim to improve the health outcomes of all people living in our community.

- We will plan a COVID safe and healthy outcome
- We will strive to prevent harm from unsafe use of alcohol, drugs, solvents and tobacco
- We will provide adequate recreation facilities and healthy, affordable food choices
- We will provide access to relevant health services for all demographics
- We will provide environmental health protection to reduce risks to health

## Our Shire

We listen to our community, are transparent, and act with integrity.

- We will listen to, engage and partner with our community leaders and groups, including the Traditional Owners, the Wardandi and Bibbulmun people
- We will support our community groups and encourage them to work together
- We will communicate the plans and decisions of the Shire with our residents, and seek input and insight from all our diverse groups
- We will strive to make decisions and deliver outcomes that are in the best interest of the majority of the community

## SCOPE OF SHIRE SERVICES

The roles and responsibilities of the Shire of Nannup include:

Waste management

Planning and building services and approvals

Governance and administration services

Where we are directly responsible for an activity and resources permit, we are committed to delivering the aspirations set out in the Community Plan. Where we do not have direct responsibility or influence on the aspirations, we will advocate to those responsible and will work in partnership with them to deliver outcomes for the Shire of Nannup and its residents.

Our scope and activities are constrained by resources (both human and capital), budget, and legislation and commonsense play a defining role in what can be achieved in our future direction.

# The Structure of the Corporate Business Plan 2022-2026 

The Corporate Business Plan sets out the direction and specific actions required to deliver the community's priorities for the next four years. It is aligned to the Strategic Community Plan and as such is divided into six strategic themes, underpinned by focus points which describe the objectives for the strategic themes.

Each focus point has strategies to achieve them, which are supported by a set of activities and initiatives.

The Corporate Business Plan will be reviewed annually using the Annual Budget to set and prioritise our short term goals. Council will provide an update on its progress in achieving the strategies in this document, by providing an update in our annual report to the community. Successfully implementing the goals in the Corporate Business Plan will require a commitment from all stakeholders, including residents, businesses, visitors, community organisations and all levels of government.
