3. RESPONSE TO PREVIOUS PUBLIC QUESTIONS TAKEN ON NOTICE

3.1 Mrs Stallard had questions taken on notice at the June Ordinary Council Meeting; a copy of the reply is included as an attachment.

3.2 Mr Gilchrist had questions taken on notice at the June Ordinary Council Meeting; a copy of the reply is included as an attachment.

4. PUBLIC QUESTION TIME

Mrs Cheryle Brown

Q 1

As a result of the inclusion of Section 132 in to the CALM Act 2016, relieving Government Departments such as DBCA (Department of Biodiversity, Conservation & Attractions) from liability for damage caused by their plantation harvesting activities (i.e. "No Blame" clause), what actions can the Shire of Nannup & property owners take to ensure DBCA are held accountable for damage caused by plantation waste burn offs?

A 1 Shire President

We will take this question on notice.

Q 2 Mrs Cheryle Brown

In preparation for the severe weather incident on 6th June, the City of Busselton issued a notice on the 3rd June to "prohibit the lighting of any fire in the open air and direct all owners or occupiers of the land to extinguish any fire burning on the land from 1800hrs Tuesday 4th June 2019 to 0800hrs Friday 7th June 2019 inclusive for the whole of the City of Busselton" (which would have included the plantation which started the Jarrahwood fire). Are Government agencies such as DBCA/FPC obliged to comply to these types of notices?

A 2 Shire President

We will take this question on notice.

Q 3 Mrs Cheryle Brown

What actions is the Shire of Nannup taking to legally enforce all plantation harvesting operators (such as DBCA & FPC) and their contractors to be equipped with suitable and effective fire-fighting equipment during and post-harvest activities?

A 3 Shire President

We will take this question on notice.

Q 4 Mrs Cheryle Brown

Are DBCA/FPC required to adhere to Shire of Nannup restricted and/or permit burning periods or do they have an autonomous set of guidelines for enabling them to burn plantation harvest waste during these periods?

A 4 Shire President

We will take this question on notice.

Mrs Rita Stallard – East Nannup Road

Q 1

First of all, Mr President; through you I would like to thank the Mr Jones for his time and patience in explaining the plan and rules for his fire management program at Gussie's Mill and near Jock's Road.

I believe some spot spraying at Gussies Mill is to take place. Could the strip of land between there and Vasse Highway be sprayed also to control the weeds there?

A 1 Infrastructure Manager - Jonathan Jones

We can put that in the program.

Q 2 Mrs Stallard

There is a big sign at the corner of East Nannup Road and Vasse Highway, saying that it is the Warren Blackwood Stock Route. Can you please tell me a bit more about this – whose initiative and why, and where does it run? Does it follow the railway line? Will it travel down East Nannup Road?

A 2 Shire President

We will take this question on notice as I am not completely sure of the exact trail route. I can tell you it was an initiative of the Warren Blackwood Alliance of Councils; started about five years ago. So that is Bridgetown, Manjimup and Nannup. We received some substantial funding to do it. It starts in Bridgetown and goes in two directions. One from Bridgetown to Willow Springs then Nannup and then down to Scott River. The other goes from Bridgetown to Manjimup Equestrian Park; eventually down to Broke Inlet. So they are two designated horse trails. It is a fairly big industry the equestrian industry and we are trying to encourage that type of recreation. I think we received about a half million dollars on camps facilities such as shelters, long drop toilets and horse yards.

Mr Len Gilchrist – Blackwood River Drive

Mr Gilchrist repeated questions he has asked at previous meetings. Mr Gilchrist did not provide his questions in writing as per instructions from Civic Legal. He was advised to contact Civic Legal if he has questions regarding correspondence from them.

5. APPLICATIONS FOR LEAVE OF ABSENCE

19080 STEER/LONGMORE

That Cr Hansen be granted Leave of Absence for the 25 July 2019 Ordinary Shire Meeting.

**Shire of Nannup
Ordinary Council Meeting Minutes: 25 July 2019**

AGENDA NUMBER:	12.1
SUBJECT:	Lewana and Blackwood Complex Fire Recoveries
LOCATION/ADDRESS:	Shire of Nannup
NAME OF APPLICANT:	David Taylor – Chief Executive Officer
FILE REFERENCE:	FRC 24 2019
AUTHOR:	Louise Stokes – Recovery Coordinator
REPORTING OFFICER:	David Taylor – Chief Executive Officer
DISCLOSURE OF INTEREST:	Nil
DATE OF REPORT:	15 July 2019
ATTACHMENTS:	12.1.2 - Letter to Haddon's Blackwood Complex Fire 12.1.2 - Letter to Hillbille Wines Lewana Fire

BACKGROUND:

In May 2019 private properties in the Shire of Nannup were impacted by the Lewana Fire, Incident Number: 423437 which was started by harvesting equipment in the Forest Products Commission (FPC) plantation operated by the contractor Total Harvesting Pty Ltd.

At post incident community de-briefs property owners were requested by FPC to submit requests for business compensation claims. Communication has been received from Risk Cover, who are the claims manager for FPC to advise that whilst FPC admits responsibility for starting the fire, they do not admit to liability for private property damage as a consequence of the fire.

Similarly, in the June 2019 Blackwood Complex (Jarrahwood) fire Incident Numbers: 085, 086 and 087 that impacted two private properties in the Shire of Nannup. One property owner, Haddon's has submitted a claim for compensation.

The Department of Biodiversity, Conservation & Attractions (DBCA) initially indicated to property owners that damage would be rectified immediately once quotes were received, this was later revised to enable immediate assistance so to ensure farming practises could continue without further risk. Now Risk Cover has advised that no compensation will be forthcoming.

DBCA has advised that the 'Good Neighbour Policy' has been revoked and the CALM ACT 2016 has been updated to incorporate a 'No Blame' clause.

COMMENT:

Assistance has been provided to property owners through the recovery process. Red Cross WA has undertaken welfare checks with impacted families.

Current status:

Lewana Fire: FPC has requested from State Government an 'Act of Grace' payment to be shared between impacted property owners. There are 10 private properties who have submitted claims across the Shires of Nannup, Donnybrook Balingup and Bridgetown Greenbushes. FPC has contacted the CEO at the Shire of Nannup to request assistance in the administration of a payment if this request is successful. This is subject to approval and lobbying to Parliamentarians will be required by Council to support this. It is not known if this will be approved.

Blackwood Complex Fire: DBCA has requested that the Haddon's appeal to Risk Cover on the grounds of hardship.

The change in State Government legislation raises the issues of:

- There has been no communication of this change. This legislation was introduced in 2015.
- The 'Good Neighbour Policy' is not listed as one of the revoked policies in the amended CALM act.
- DBCA still enacts some elements of the 'Good Neighbour Policy' during incidents, including:

2.1.2 DEC will involve itself with the local community in preparing and planning for fire incidents. DEC officers will attend shire and brigade meetings and bushfire advisory committee meetings on a regular basis, as far as resources allow, and participate in the Local Emergency Management Committee process.

2.4.4 DEC will pay for the costs that a shire or bushfire brigade incurs on its behalf in hiring contract machinery to suppress a fire on DEC-managed lands (only following authorisation and agreement on contract rates by an appropriate DEC officer), except where mutual aid agreements are in place.

- Private property owners may have considered fencing insurance cover if they had knowledge that the 'Good Neighbour Policy' no longer applied.
- If a fire starts on private property and travels into FPC or DBCA land, the private property owner must compensate costs.
- In the case of the Haddon property impacted in the Blackwood Complex fire, the destroyed boundary fencing adds risks that stock could wander onto the Vasse highway or Cundinup South road and cause traffic accidents. If this were to occur, the private property owner is liable.

Ordinary Council Meeting Minutes: 25 July 2019**

AGENDA NUMBER:	12.2
SUBJECT:	Warren Blackwood Sub-Regional Prospectus and associated Memorandum of Understanding
LOCATION/ADDRESS:	Shire of Nannup
NAME OF APPLICANT:	David Taylor – Chief Executive Officer
FILE REFERENCE:	
AUTHOR:	David Taylor – Chief Executive Officer
REPORTING OFFICER:	David Taylor – Chief Executive Officer
DISCLOSURE OF INTEREST:	Nil
DATE OF REPORT	17 July 2019
ATTACHMENT:	12.2.1 - Warren Blackwood Sub-Regional Prospectus 12.2.2 - Memorandum of Understanding Warren Blackwood Sub-Regional Prospectus

BACKGROUND:

This document is a collaboration between the Shire of Nannup, Shire of Bridgetown-Greenbushes, Shire of Manjimup, Shire of Donnybrook-Balingup, Shire of Boyup-Brook and the South West Development Commission. This document has been developed to provide an attractive pamphlet showcasing the region. This prospectus was developed initially with particular reference to Talison Lithium as a document that could be included within their future employment packages.

COMMENT:

Warren Blackwood Sub-Regional Prospectus

This document has been in development for the past 6 months and discussed at length in the Warren Blackwood Alliance of Councils (WBAC) meeting, it is merely a method of showcasing the individual communities and what they offer to people looking to move to the region. This document has the potential to be used much further abroad to showcase what is on offer in this region (airport lounges, iconic tourist locations and so on).

Memorandum of Understanding (MOU)

Associated with this document is a MOU with its purpose to clearly identify the roles and responsibilities of each party as they relate to the Warren Blackwood Sub-Regional Prospectus. The key points for Council to consider are as follows;

SHIRE RESPONSIBILITIES UNDER THIS MOU

The Shires shall undertake the following activities:

- Deliver information as applicable to ensure the currency and accuracy of the Warren-Blackwood Sub-Regional Prospectus;
- Share the current, endorsed version of the Warren Blackwood Sub-Regional Prospectus for public access on Shire websites;
- Manage the distribution of hard copies of the Warren Blackwood Sub-Regional Prospectus as deemed appropriate;
- Promote the Warren Blackwood Sub-Regional Prospectus as applicable;
- Review the Warren Blackwood Sub-Regional Prospectus annually to ensure content is current.

SWDC RESPONSIBILITIES UNDER THIS MOU

SWDC shall undertake the following activities:

- Develop the draft document based on information provided by the Shires and including summary contextual detail;
- Provide a draft digital design copy of the inaugural Warren Blackwood Sub-Regional Prospectus;
- Store the current, endorsed version of the Warren Blackwood Sub-Regional Prospectus and apply version changes as identified through the annual review process;
- Promote the Warren Blackwood Sub-Regional Prospectus as appropriate.

EFFECTIVE DATE/DURATION/AMENDMENTS

This agreement is effective as of the date of signature by all authorized representatives indicated below and shall last for five years thereafter. The MOU may be extended or amended to allow for related efforts by mutual agreement of the parties. Any party may withdraw from this agreement upon one hundred eighty (180) days written notice to the other parties.

STATUTORY ENVIRONMENT:

Nil

POLICY IMPLICATIONS:

Nil

FINANCIAL IMPLICATIONS:

Printing costs are at the Local Government's responsibilities. It has been suggested to combine printing on the initial run to achieve better economies of scale – this would be as follows;

500 copies – cost to Shire of Nannup is \$320 (quotation)
1,000 copies – cost to Shire of Nannup is \$396 (quotation)

It is proposed that 50% be provided to Talison with the remainder equally distributed to the individual local governments.

Further printing is the responsibility of each individual Shire.

STRATEGIC IMPLICATIONS:

Reference has been made to the Shire of Strategic Community Plan when providing input into the Warren Blackwood Sub-Regional Growth Plan 2019.

This document provides compliments the Shire of Nannup local planning and State planning strategies giving stronger linkage to funding applications.

RECOMMENDATION:

That Council;

1. Endorse the Warren-Blackwood Sub-Regional Prospectus, and;
2. Endorse the Memorandum of Understanding Warren Blackwood Sub-Regional Prospectus, and;
3. Authorise the Chief Executive Officer to sign the Memorandum of Understanding Warren Blackwood Sub-Regional Prospectus on behalf of the Shire of Nannup.

- Support the actions and projects identified in the Warren Blackwood Sub-Regional Growth Plan;
- Review the Warren Blackwood Sub-Regional Growth Plan every 12 months, providing feedback on current projects and activities outlined in the document.

SWDC RESPONSIBILITIES UNDER THIS MOU

SWDC shall undertake the following activities:

- Facilitate workshops to identify and discuss sub-regional priorities and projects;
- Develop the inaugural draft document based on information provided by the Shires and including summary strategic contextual detail;
- Provide a digital copy of the inaugural Warren Blackwood Sub-Regional Growth Plan;
- Store the current, endorsed version of the Warren Blackwood Sub-Regional Growth Plan and apply version changes as identified through the yearly review process;
- Promote the Warren Blackwood Sub-Regional Growth Plan as appropriate.

ENDORSEMENT / IMPLEMENTATION

All Shires understand and accept that adoption and implementation of the initial Growth Plan and any future changes to the Growth Plan, as per the review process, will be determined and progressed based on the majority of parties being in agreement with the changes.

**Shire of Nannup
Ordinary Council Meeting Minutes: 25 July 2019**

AGENDA NUMBER:	12.4
SUBJECT:	Shire of Nannup - Visitor Centre Service Agreement – Expression of Interest
LOCATION/ADDRESS:	Shire of Nannup
NAME OF APPLICANT:	Shire of Nannup
FILE REFERENCE:	
AUTHOR:	David Taylor – Chief Executive Officer
REPORTING OFFICER:	David Taylor – Chief Executive Officer
DISCLOSURE OF INTEREST:	Nil
DATE OF REPORT	15 July 2019

BACKGROUND:

The Shire of Nannup has outsourced its Visitor Servicing arrangements to a local business operating in Nannup since 2014. This Agreement expired in June 2019 after Council extension period of 1-year period from 1 July 2018.

Council at its Ordinary Meeting held on the 22nd of February 2018 endorsed the following, with particular attention being made to point 2;

“18036 STEVENSON/LONGMORE

That Council advises the proprietors of “A Taste of Nannup” that it is prepared to consider the following in respect to the provision of Visitor Services beyond June 2018:

-

- 1. That Council, dependent upon the outcomes of the Local Tourism Organisation development and potential establishment from 1 July 2018, is prepared to consider entering into a further 12-month extension of the Agreement for the provision of Visitor Services with the same conditions and remuneration as previously supplied; and*
- 2. That following the above developments in respect to the outcomes of the LTO’s potential establishment and its viability in respect to the future delivery of visitor services for the region, and the financial capabilities of the Shire to Nannup to commit to the LTO’s ongoing cost structure, Council will then consider whether to re-tender for the provision Visitor Services in Nannup or continue with “A Taste of Nannup” to provide these services for an extended period.*

CARRIED (8/0)”

Now that the LTO, known as the Southern Forests Blackwood valley Tourism Association (SFBVTA) has been established and the current Service Agreement has expired, part 2 of the above Resolution is being brought to Council for consideration.

COMMENT:

The Shire of Nannup has committed to a 5-year funding arrangement through the Warren Blackwood Alliance of Councils (WBAC), which is as follows;

2018-19	\$19,250	Completed
2019-20	\$28,325	Budgeted in Current Year
2020-21	\$33,012	
2021-22	\$24,908	
2022-23	\$16,822	

After consultation with local businesses, other local governments and internal correspondence it is believed by officer's that there is a need for local Visitor Servicing within Nannup and that the SFBVTA is unlikely at this point to replace the need for local visitor servicing. A few reasons being;

- It provides specialised local visitor information particularly for Nannup.
- It adds to the visitor experience with local knowledge and service.
- Offers an opportunity for Nannup visitor services to be tailored over and above what the SFBVTA is performing within the region.

There have been discussions around whether or not technology could replace in-person visitor servicing in Nannup. Even though this is a potential opportunity in the future, it was agreed that currently the most appropriate method suiting currently visitors is still in-person visitor servicing.

The Shire of Nannup Policy ADM4 – Purchasing Policy states the following thresholds;

Amount of Purchase	Model Policy
Up to \$5,000	Direct purchase from suppliers requiring one verbal quotation.
\$5,001 - \$50,000	Obtain at least two verbal or written quotations (unless exempted by proven procurement history).
\$50,001 - \$100,000	Obtain at least three written quotations
\$100,001 - \$149,999	Obtain at least three written quotations containing price and specification of goods and services (with procurement decision based on all value for money considerations).
\$150,000 and above	Conduct a public tender process.

The Shire of Nannup is obligated to operate in alignment with its current Purchasing. It is recommended that the procurement process be conducted as an Expression of Interest (EOI) within a set funding ceiling in alignment with the annual budget.

Interim period for current provider – it has been agreed by the CEO and Shire President to extend the current Visitor Service Agreement for a period of 4 months to allow time for the Shire to complete the procurement process. This is included within the 2019-20 budget allocations.

STATUTORY ENVIRONMENT:

Local Government Act 1995

POLICY IMPLICATIONS:

ADM 4 – Purchasing Policy

FINANCIAL IMPLICATIONS:

19/20 Budget Allocation is \$15,000

It is important to note that this Annual Budget has not yet been formally adopted by Council and is included within this Ordinary Meeting of Council for approval of.

STRATEGIC IMPLICATIONS:

Our Economy

Strategy 2.2 Tourism /Recreation – Support the provision of a Visitor Centre Service and work with Warren Blackwood Alliance of Councils in the establishment of a Local Tourism Organisation or alternative structure in the delivery of Visitor Services.

RECOMMENDATION:

That Council authorise the Chief Executive Officer to;

1. Prepare an Expressions of Interest criteria and process in conjunction with the Shire President for the provision of Visitor Centre Servicing within the Shire of Nannup for a 3-year period, and;
2. Conduct an advertising period of 2 weeks for the Expressions of Interest in alignment with Council's purchasing policy, and;
3. Upon completion of 1 and 2 above, provide to Council a recommended provider to perform the Visitor Centre Servicing in Nannup for a 3-year period.

19085 LONGMORE/MELLEMA

**Shire of Nannup
Ordinary Council Meeting Minutes: 25 July 2019**

AGENDA NUMBER:	12.6.
SUBJECT:	Budget Monitoring – May 2019
LOCATION/ADDRESS:	Nannup Shire
NAME OF APPLICANT:	N/A
FILE REFERENCE:	FNC 15
AUTHOR:	Robin Lorkiewicz – Corporate Services Officer
REPORTING OFFICER:	Tracie Bishop – Manager Corporate Services
DISCLOSURE OF INTEREST:	None
DATE OF REPORT	12 July 2019
ATTACHMENT:	12.6.1 - Financial Statements for the period ending 31 May 2019

BACKGROUND:

Local Government (Financial Management) Regulation 34(1) requires that Council report monthly on the financial activity from all the various operating and capital divisions. Council has adopted a variance threshold of 10% or \$30,000, whichever is the greater on which to report. The statutory statements are appended at Attachment 12.6.1.

Whilst this has resulted in all variances of 10% being identified and reported, it only focuses attention on the performance to the month in question and not the likely outturn at the end of the year.

Monthly reporting draws on the flexibility allowed in the Financial Management Regulations to draw attention to likely under and overspends at the end of the year.

COMMENT:

Please refer to the attachment, Financial Statements for period ending 31 May 2019 for a detailed analysis of our end of year position, Note 2.

13. NEW BUSINESS OF AN URGENT NATURE INTRODUCED BY DECISION OF MEETING

13.1 OFFICERS

19088 STEVENSON/LONGMORE

That Council allow the following motion to be considered as an Urgent Motion.

CARRIED (7/0)

AGENDA NUMBER:	13.1
SUBJECT:	Term Deposit Investment
LOCATION/ADDRESS:	
NAME OF APPLICANT:	Tracie Bishop
FILE REFERENCE:	FNC 1
AUTHOR:	Tracie Bishop – Acting Chief Executive Officer
REPORTING OFFICER:	Tracie Bishop – Acting Chief Executive Officer
DISCLOSURE OF INTEREST:	Nil
DATE OF REPORT:	25 July 2019
ATTACHMENTS:	Nil

BACKGROUND:

Council's Investment Policy FNC 7 states:

Where investments of greater duration than 12 months are desired, Council officers are to obtain independent financial advice from a Certified Financial Planner with regard to specific investment selection.

The maximum amount that may be invested with any one institution is \$4 million for deposits requiring less than 24 hours notice of withdrawal and \$2 million for all other deposits.

The Chief Executive Officer can authorise a transaction which exceeds the maximum investment limit with any one institution and must record the reason for any departure from the policy and report this to Council. In such cases the appropriate authorising signature should be recorded in a central register.

COMMENT:

Officers recently looked at investment prospects for Council funds. The analysis process completed in this regard is to firstly look at the requirements of the cash flow for the upcoming periods and then to look at the investment rates available.

While looking at rates, officers sought rates from Commonwealth Bank of Australia, Westpac Banking Corporation, Bankwest and Bendigo Bank. After this process was completed the bank with the higher rate was chosen. In this instance Westpac Banking Corp offered a rate that none of the other competitors were prepared to match. On this basis, two term deposits were opened. One for \$500k (Municipal) and the second for \$2.55M (Reserve).

As per Council's Investment Policy the requirement, based on these deposits, is that Council endorse these actions.

STATUTORY ENVIRONMENT:

Nil.

POLICY IMPLICATIONS:

Nil.

FINANCIAL IMPLICATIONS:

Increased income as a result of interest received.

STRATEGIC IMPLICATIONS:

Nil.

RECOMMENDATION:

That Council endorse the actions of the Acting Chief Executive Officer whereby the maximum investment limit identified within Council's Policy FNC7 has been exceeded. Reason for exceeding this limit is on the basis that the interest rate available at this institution exceeded that of all other competitors.

19089 STEVENSON/MELLEMA

That Council endorse the actions of the Acting Chief Executive Officer whereby the maximum investment limit identified within Council's Policy FNC7 has been exceeded. Reason for exceeding this limit is on the basis that the interest rate available at this institution exceeded that of all other competitors.

BACKGROUND:

The Risk Management Policy (RM1) requires that the Shire of Nannup will manage risks continuously using a process involving the identification, analysis, evaluation, treatment, monitoring and review of risks. In order to do this each risk must be identified, catalogued on the Risk Register, scored and monitored.

The Risk Management Policy states that:

“The Risk Management Advisory Committee will ensure that all risk management processes are fully recorded throughout the Shire and documented through the Shire’s records management system. This will include regular monitoring to ensure closeout of risks and identification of ongoing issues and trends.”

COMMENT:

A new strategic risk be introduced; Vexacious Customers. Neroli and Tracie to work together to draft the strategic risk template and put forward to members of the committee for review.

Attention: Ms Jane Buckland, Development Services Officer

Dear Jane.

Further to your discussion with Tricia, please find attached the completed Notification/Registration Form, which once approved, will enable us to offer a Bed and Breakfast (B&B) establishment, at the above address.

We will be offering 2 rooms, each with en-suite and separate entrance.

Kindly note that with our breakfast, we intend to offer to our guests home made produce such as jams, preserves, pickles and marinades, together with our excess seasonal fruit and vegetables. We would like to take the opportunity to also offer them for sale at our Keladry Farm outlet (see below) and via a local market stall some time in the future.

We would also eventually like to be able to offer such things as Devonshire teas using home made jams etc, to our visitors, together with picnic hampers and barbeque packs. Tricia is in the process of acquiring a food handling certification.

In the not-too-distant future, we would also like to establish a cottage industry here on the property, with a nursery and craft area. We will, at the appropriate time, apply for permission to erect an office/display, constructed from a shipping container placed near the existing barn, with a shelter for the nursery plants.

We propose to sell seedlings, potted plants, hanging baskets, craft works and garden ornaments. Tricia is a glass artist (fusing and slumping).

Incidentally, how do we proceed with getting the "tourist spot" highway signage, pointing to our B&B?

I hope this clarifies our intentions. If there is anything more you require from us, please don't hesitate to call either Tricia or myself.

Thanking you for your assistance in this matter.

Regards

Phil Hewitt - 0451 995 827

Dear Jane.

Ref: our recent correspondence regarding our application to start a Bed and Breakfast facility at the above address and the requirement for a Bushfire Management Plan as part of the approval process.

Thank you for your response to my letter regarding the reassessment of the DFES zoning of Bushfire Prone Areas on our property at the above address.

Of course, I am supportive of the requirement for a BMP, but believe the level of assessment can be reduced (to Level 2) due to measures already (and proposed) to be undertaken, notwithstanding the issue of rezoning.

In mitigating our exposure to and risk from, a bushfire on our property, since we purchased it in 2009, we have done the following:

- rezoned the property to rural pursuits from the 20-chalet zoning approval given to the previous owner. This reduces significantly the number of potential visitors/guests on site at any one time and therefore, the associated personal risk
- cleared and returned to pasture, approximately 30 acres, upon which our house, barn and other infrastructure sits
- renewed the fire breaks that adjoin my neighbours (north and east) and Nursery Road
- have retained 10% of water in the rain water tanks for fire fighting purposes (nearly 20,000 litres) and added camlock fittings for fire hose fittings. Another water tank of 22,500 litres is also available.
- added "no trespassing" signs at the entrances/exits that have significantly reduced the vehicular traffic transiting our property via Nursery Road
- assembled a trailer-based 1,000 litre fire fighting unit with 6.5HP pump and hose
- planted (and will continue to plant) fire retardant trees around the property boundaries
- had rebuilt and increased height of the dam wall, so that the Nursery Road dam can now capture even more water (estimated at 25m litres). This water can be drawn during a bushfire emergency.

Please note that we have reduced the onsite fuel under our BAL19 rating below those limits recommended, within both the Building Protection Zone (BPZ) and Hazard Separation Zone (HSZ).

In addition, once we have established our B&B, we will:

- very clearly document the routes of escape from Keladry Farm; be it Brockman Highway (east and west); Ilmenite Road (east) or Uranium Road (south) in our Emergency

Evacuation Plan (BEEP); part of our guest literature.

- In the event of a bushfire in the vicinity of East Nannup, inform guests that DFES has issued a bushfire warning "Advice", so that they may make an informed decision on preparing to depart.
- immediately direct any guest/customer to the safest escape route in the event of a Watch and Act issued by DFES. Depending on direction chosen the route may be guided to avoid guests getting lost.
- There will be no guests or members of the family remaining on the property if an Emergency is issued by DFES, other than those who chose to stay and actively defend,

I have requested a quotation from a BMP practitioner who is applying for his Level 2 accreditation. I confirm that I will seek to work with him to already establish the requirements for a BMP and get him to endorse this once he has achieved Level 2.

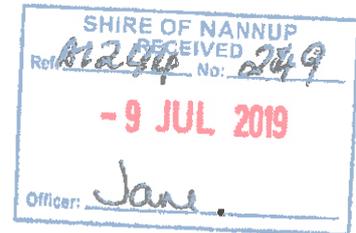

Again, many thanks and great appreciation for your assistance in helping us get our B&B started.

Yours sincerely,

Dear Jane

Thank you for your letter dated 26/6/19 regarding proposed Bed + Breakfast at 48 Nursery Road, and to the Nursery proposed in Phil and Tricia Mewitts letter.

I have no objections to the B+B or to the Nursery.

My only concerns are the increased traffic and the maintenance of the dirt road.

In the past this has been my responsibility. Previously I have requested the shire to grade the road. On occasions this was declined and I had to arrange for the road to be graded myself.

Should the B+B and Nursery go ahead, I ask that the road be bitumened. I am willing to contribute a portion of these costs as it benefits all.

Yours Sincerely, S. Ulrich

Policy Number:	LPP 004
Policy Type:	Local Planning Policy
Policy Name:	Bed & Breakfast
Policy Owner:	Chief Executive Officer

Authority: Shire of Nannup Local Planning Scheme No.3

OBJECTIVE

This policy aims to facilitate the provision of high standards of Short Stay/Home Style accommodation in various locations to encourage tourism whilst maintaining the amenity of those locations for permanent residents.

DEFINITION

The *Shire of Nannup Local Planning Scheme No. 3* (LPS No. 3) defines Bed and Breakfast accommodation as follows:

“Bed and Breakfast accommodation means a dwelling, used by a resident of the dwelling, to provide accommodation for persons away from their normal place of residence on a short-term basis and includes the provision of meals.”

Note:

Where a premise accommodates more than six (6) persons exclusive of the family of the keeper, it shall be defined as a “lodging house” and is required to comply with the provisions of LPS No. 3, Health (Miscellaneous Provisions) Act 1911 and the Shire of Nannup Health Local Laws 2003.

POLICY

The establishment of Bed and Breakfast accommodation within the Shire of Nannup is to note the following:

Locations/Zones

A Bed & Breakfast may only be established in areas designated within the Zoning Table that forms part of LPS No.3, which requires approval by the local government as a “D” use. A Bed & Breakfast use is not permitted in the Industry Zone or where specifically excluded in a structure plan.

Appearance of Dwelling

The use of Bed & Breakfast accommodation shall be incidental to the predominant use and nature of the dwelling. The appearance of the dwelling shall remain residential and shall not impact adversely on surrounding properties.

Minimum Standards /conditions for Bed & Breakfast Accommodation:

Maximum rooms

Maximum 3 guest bedrooms for guest purposes (maximum 6 adults), with a separate bedroom for the owner/manager.

Water

Adequate water supply is to be provided for ablutions, cooking and drinking that meets the Australia Drinking Water Guidelines. Additionally, adequate water for fire-fighting purposes is to be provided.

General Issues and Requirements

In determining the suitability of a Bed and Breakfast proposal, the local government shall take into consideration the following issues and requirements:

1. Potential impact on the adjoining properties and surrounding residential area.
2. Appropriateness of accessibility by vehicle or as required by walking and cycling.
3. Car parking to be provided on site is one (1) car bay for every two guest rooms and two (2) spaces for the dwelling itself. Where an uneven number of guest rooms exist, the number of car bays provided for guest rooms is to be rounded up to the nearest whole number.
4. The provision of adequate emergency management response.

Approval Conditions

The following conditions (not limited) will apply to all Bed and Breakfast Accommodation applications on approval:

1. An approval shall not be transferred or assigned to any other property.
2. Bed and Breakfast Accommodation shall not be used as a lodging house or for permanent accommodation.
3. A sign, subject to the provisions of the local government's Sign Policy, may be erected on-site subject to the approval being granted by the local government.
4. Smoke alarms to be installed in accordance with the Building Code of Australia.
5. Car parking is to be provided on-site.
6. No facility for cooking or laundry facilities will be permitted within the rooms.

Change of Ownership

Local government planning approval will not be forfeited in the event of change of ownership of the premises. However notification to the local

government of the intentions of any new owners of these establishments is required to enable the local government's records to be updated.

Introduction:

The Shire of Nannup's Community Cultural Plan is an exciting and valuable document that captures our community spirit, our visions, aspirations and achievements through our decades of progress.

Culture is increasingly being recognized as essential to prosperous, livable and sustainable communities in the 21st century.

Cultural planning supports local economic development and encourages municipalities to integrate cultural planning into their daily business; to emphasize local arts, cultural industries, heritage and libraries as we plan for the future of our communities. Culture adds to the wealth of a community in many ways, such as attracting tourists, creating jobs, revitalizing neighbourhoods and attracting new businesses.

The Nannup Shire presents us with a mosaic of different land uses which range from the heritage of our town site through to our majestic Jarrah, Marri and Karri forest to the rolling farmlands, river valleys and onto our wild and rugged coastal landscapes. These areas will come under increasing pressure in years to come so it is important for us to carefully plan and prepare for the years ahead.

This further highlights the importance of this plan and the need for community participation to ensure its viability and action, due to limited resources and funds of Council. The plan will be a living document that will be reviewed and updated at regular intervals.

Thank you to all community members from across a wide section of our Shire for their valued input through their thoughts and aspirations, all of which are necessary to make this a workable document. The people involved were from a wide cross section of our community encompassing both our younger generation and senior members of our community.

Comment and new activities are welcome at any stage, these are retained on file and considered when the plan is reviewed.

Executive Summary:

Culture is around us in our everyday lives. It encompasses our history, customs, topography and architecture. It is everything that contributes to the quality of our lives and gives our lives meaning and enjoyment. Culture in its widest sense defines what matters to people and communities. It is the way of connecting the present, past and future into a recognisable identity.

Cultural Planning is a strategic process which highlights the values of culture in a community in a way which relates to the Shire's policies and planning. The plans should provide recognition of the distinctive needs and desires of the different cultural groups in the community and encourage grassroots participation. For the Local Government, the plans legitimise and promote the roles of facilitation, liaison, research, planning, coordination of services and project management.

Enacting the Cultural Plan is a community responsibility. It is an informing document to the Council's Strategic Plan 2017 -2027 and is an asset for community groups seeking funding for projects.

Vision.

“To foster a community that acknowledges its heritage, values and lifestyles whilst encouraging sustainable development.”

Mission Statement

“The Shire of Nannup will deliver quality services, facilities and representation in order to achieve our Vision.”

Key Strategic Objectives

- To foster community involvement and information exchange in Council and community activities and functions.
- To adequately plan for future development in terms of sustainable economic, environment and social factors.
- To maintain and further develop the Garden Village theme of Nannup and to ensure the high standard of public parks and reserve areas in the community are maintained and improved upon.
- Encourage and promote tourism and tourism related development within the district and region.

Key Recommendations completed 2010-2015.

RECOMMENDATION 1: Establish a local bridle trail network that links historical timber mill settlements.

RECOMMENDATION 2: Document and signpost the heritage stock routes to the coast.

RECOMMENDATION 3: To re-position the flood markers onto another tree near the Old Railway Bridge with an interpretive display erected that also details all the trails of the region.

RECOMMENDATION 4: Implement the Tree Recognition program and the Nannup Tree Trail.

RECOMMENDATION 5: To ensure that the Garden Village identity is preserved and the quaintness and historical nature to the townscape remains authentic and valued, with plaques established at historic properties within the townsite.

RECOMMENDATION 6: Continue development of infrastructure at event venues throughout the town as per Council budget allocation, community group contributions and grant funding availability.

RECOMMENDATION 7: To design and construct a heritage interpretation of the Jalbarragup Bridge using as much of the original bridge timbers as possible. This interpretation to be integrated into the design and construction of a picnic area on the northern side of the Blackwood River once the new bridge has been constructed.

RECOMMENDATION 8: To develop Tank 7 as a picnic and lookout site with telescopes and distance markers. The future inclusion of a downhill mountain bike course to be considered in the design. This development is to be undertaken as a joint project with Department of Environment and Conservation and the community subject to funding availability.

RECOMMENDATION 9: To develop a Tiger Trail including sculptures, the 'Ode to the Thylacine' poems and interpretive information about the thylacine.

RECOMMENDATION 10: Undertake a time capsule project of Nannup.

RECOMMENDATION 11: Collect the oral histories of senior residents and identities of our town.

Key Recommendations from Consultation 2019

RECOMMENDATION 1: To document and interpret the timber industry and mill sites in the region, including the personalities and generations of families that have worked in forestry.

RECOMMENDATION 2: Document where old bridges were constructed in the region and interpret the town swimming pool in the Blackwood River, near the Riversbend Caravan Park.

RECOMMENDATION 3: Map the Nannup scarred trees and original Bibbulmun track north of town and to the Boranup Forest.

RECOMMENDATION 4: Document the Indigenous history of the region.

RECOMMENDATION 5: Document wildflowers, birds and flowers of the area and promote them, including the extension of the Foreshore Park (Single Men's Hut site) and the planting of native flora.

RECOMMENDATION 6: Develop and promote a local Art Trail (similar to the Margaret River Open Studios)

RECOMMENDATION 7: Design and create murals on the walls of Eziway and the Liquor Store.

RECOMMENDATION 8: The Arboreta's at Willow Springs and Asplin Road to be conserved, interpreted and promoted.

RECOMMENDATION 9: Continue development of infrastructure at event venues throughout the town as per Council budget allocation, community group contributions and grant funding availability.

RECOMMENDATION 10: Undertake a youth arts program focused on the Foreshore Park.

RECOMMENDATION 11: To formalise the name of the Village Green and to signpost it appropriately.

RECOMMENDATION 12: To undertake community consultation to formally adopt a name for the area between the Old Roads Board building and Melo Velo.

RECOMMENDATION 13: To develop the Ellis Creek Mill site in conjunction with Department of Biodiversity Conservation and Environment and community groups, whilst consulting with neighbouring properties.

RECOMMENDATION 14: In consultation with youth investigate upgrades to the skate park, with cultural features incorporated into the design.

RECOMMENDATION 15: Heritage buildings vested with Council are moved from the disposable asset register and a maintenance schedule is developed and initiated.

RECOMMENDATION 16: Establish Gussie's Mill as an eco- tourism site with free camping.

RECOMMENDATION 17: The Mill at Donnelly River Village conserved and promoted along with cultural and heritage buildings and sites in the townsite.

RECOMMENDATION 18: Relocate the giant log in the Caravan Park to the Arboretum and re-install the plaques to the log that are currently stored in the Historical Society.

RECOMMENDATION 19: Develop a permanent exhibition based on the Thylacine, telling the story of the Nannup Tiger, including its alleged extinction and the risk that faces other endangered flora and fauna by the impact of both white man and introduced species.

RECOMMENDATION 20: Market Nannup as a cultural and artistic centre of the South West, whilst fostering the development of individual artists through partnerships with community groups.

RECOMMENDATION 21: Collect the oral histories of senior residents and identities of our town.

RECOMMENDATION 22: Undertake a youth arts project to create sulo bin stickers that promote Nannup.

RECOMMENDATION 23: Establish Nannup as a centre of excellence in textile artworks and develop a textiles festival.

RECOMMENDATION 24: A database of public artwork is established, with key sculptures moved from the disposable asset register, with insurance and maintenance schedules adopted. Develop and promote a sculpture trail around Nannup.

RECOMMENDATION 25: Establish a creative hub in partnership with the Nannup Arts Council.

RECOMMENDATION 26: In partnership with the Creative Corner establish a program of professional development workshops and performance/mentor opportunities in Nannup for musicians.

RECOMMENDATION 27: A Percent for Art program is developed for new subdivisions.

RECOMMENDATION 28: Identify a location for Nannup specific artefacts and memorabilia to be stored and renovated.

RECOMMENDATION 29: Complete the Significant Tree project.

RECOMMENDATION 30: Conserve and preserve the boiler at the Recreation Centre (currently stored at the Depot)

Environmental Scan:

This plan focuses on identifying and documenting community perceptions and visions for the purpose of preserving, promoting and protecting our cultural values within the Shire of Nannup.

To encourage community members to take ownership of this document, a conscious effort has been made to not use acronyms and 'Government language' throughout the plan.

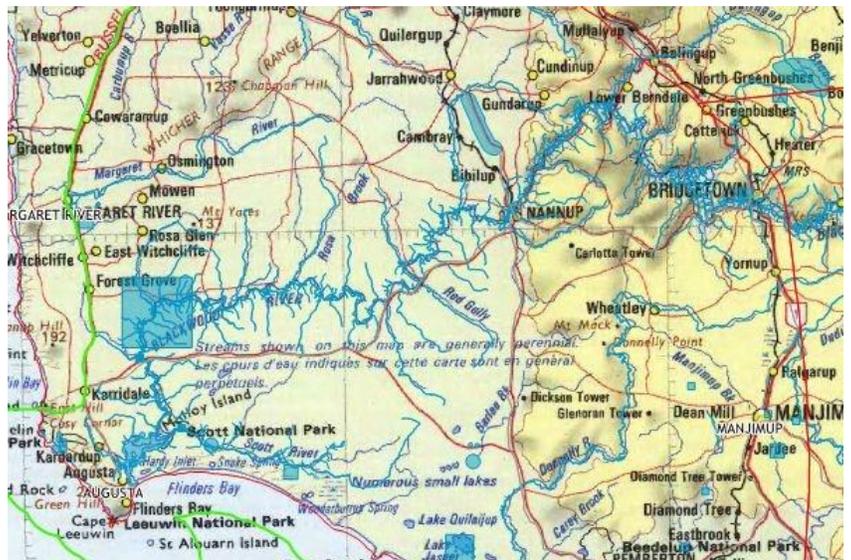

History

Aboriginal cultural significance is not restricted to what we term a 'site' as all waterways, including rivers, chains of lakes or water holes, are considered to be Dreaming trails by the Nyungar people and that there are paths to follow between one place and another. Interconnected water sources are considered part of the same spiritual energy, created by the Waugal, the Rainbow Spirit who had the shape of the serpent, with the mighty sweep of his tail, is the spirit and the creator of all the water ways – underground waterways, and the rainbow. The Waugal created the Blackwood River, the aquifer and the Yaragadee. .

Nannup was an important meeting place for the four different local family groups; Wardandi, Pibbelmen, Minang and Kaneang to gather. It is understood that the Wardandi people's country took in Busselton to Margaret River and Nannup with the Blackwood River being the boundary between the two clans. The Pibbelmen's people's country ran to the south of the Blackwood River to Donnelly River and Broke Inlet to Augusta. The Minang would travel from the Southern forests and Kaneang from Eastern Black Hills to meet celebrate and trade. Territories were bordered by natural landscaped such as rivers, valleys and hills. Travel routes would usually follow waterways, known as inherited songlines.

The Nyungar people would carry a handmade 'Meero' which had a map carved or painted on it showing the designated hunting and gathering region of its owner.

In the Shire of Nannup we see evidence of the scarred trees near Cambray that were used to make the 'meero'. Nyungar people would travel the land determined by their six seasons, spending the summer on the coast and travelling up the Blackwood River to Nannup Brook where they would camp over winter and then when the river subsided, travel north to Busselton and then south to Donnelly and across to the coast at Margaret River.

There are 35 registered heritage cultural Nyungar sites within the Shire of Nannup which includes Lake Jasper, the Kybra site on private property, artefacts, ceremonial sites, engravings, burial sites, scarred and modified trees, mythological and historical sites. A full register with maps is stored on the Department of Indigenous Affairs website.

Lake Jasper is an important archaeological site for Indigenous culture. The lake was originally much smaller and there is archaeological evidence of camp sites around the edge of the lake and many artefacts have been recovered from the lake. Although there is no written or oral records of Nyungar hunter – gatherer groups in this district, a dozen place names of Nyungar origin are in use there. Lake Jasper was named to commemorate the death in 1864 of an infant son of one of the region's British seller families.

Aborigines helped the first European settlers as they explored along the Blackwood River in 1834 to source fresh water and food. A small party headed by Thomas Turner set out from Augusta to trace the Blackwood

River upstream to its source. Nannup is reportedly named after one of the Aboriginal guides on his expedition and means *"place to stop and rest"*.

The first settlers arrived in Nannup in the early 1860's to take up pastoral runs. Early families took up land at Biddelia, Balingup Road, Darradup, Cundinup and East Nannup. The early farmers milked cows, bred horses and later produced fat lambs which were brought to the area from interstate.

Coastal runs were had by most of the cattlemen who alternated their cattle between the inland and the coast between the Donnelly and the Blackwood. If they left their cattle on the coast too long they would start to lose weight and become weak due to the lack of phosphorous and cobalt that was available in the heavier soils back inland. Evidence of the established stock routes can be identified today by a number of wells, small holding yards and huts enroute.

The Group Settlement scheme began in the area and rough tracks constructed, linking neighbouring townships. About 50 metres north of the current river crossing was an old Marri tree and settlers from the Warren River and Nelson Grange near Bridgetown would meet for the trip to Busselton and on their return would have a final drink at the tree before heading off to the Warren and the Grange. The two roads have since been called Warren Rd and Grange Rd.

Ticket of leave convicts were used to help clear the land and build houses, roads, bridges and yards for the cattlemen and early settlers. In 1866 a bridge was built using convict labour was built across the Blackwood River, providing access to a small number of outlying farmers and more remote settlers. On January 9th 1890 the townsite of Nannup was officially declared.

The township of Nannup has a truly agricultural base with the first shop located on the Northern side of the traffic bridge at "Macroon". The first Town Hall was built by the Farmers and Graziers of the district from the timber they retrieved from their land clearing operations. The farmers and Graziers petitioned the State Government for finance to extend the Railway line to Nannup because of the potential for the dairy and potato industry and the fact that there was also a timber resource to be had. The line was opened in 1909 and Barrabup Mill commenced in 1908. This closed in 1925 and the timber industry moved to the present site, where Nannup Timber Processing now operates. The Farmers and Graziers Association also sought and received Government finance for the Recreation ground and a new school.

The Scott River area was part of the coastal runs and later in the 1950's and 60's the land was thrown over as Conditional Purchase lots for the expansion of agriculture buy the West Australian Government.

Perth was once 17-20 days away from Nannup by horse and buggy. Today with the new Forest Highway the journey takes two and a half hours. With the restructure of the timber industry, viticulture, aquaculture and tourism businesses now diversify the economic base of the Shire.

Nannup with its population of about 1,300, has kept that old country town image, even today it is untouched by the developments that are dominating the coastal towns. Buildings have been preserved with their heritage features intact and a visit to our town is like stepping back into history.

Methodology:

Community Consultation:

Over the past five years feedback has been received in preparation for consideration and inclusion into the current plan.

Consultation has recently been undertaken with the following organisations through one on one meetings, group facilitation and feedback forms:

- Nannup Music Club,
- Members of the Donnelly River Village Board of Management,
- Nannup Garden Village,
- Nannup Arts Council, and
- Nannup Historical Society.

A drop-in session to the Shire office was hosted, promoted through the Nannup Telegraph, on social media and on posters displayed around town.

A meeting was held with coordinators of the Creative Corner, based in Margaret River which is a government initiative to support the development of arts and culture in the South West.

Engagement with students and youth has been facilitated through the Student Council at the Nannup District High School. Students were invited to provide feedback on the following questions:

- What do you value about Nannup?
- What would you like to see in Nannup in the next 5 years that is artistic and not already in place?
- If you could choose a public art work project to do in Nannup what would you choose?
 - o Mural project
 - o Trail signage
 - o Telegraph Pole project
 - o Bin sticker project
 - o Something at the Foreshore Park
 - o Other.

Students from Kindergarten to Year 3 were invited to draw a picture about what they loved about Nannup.

Cultural Assets:

- Historical Mill settlement areas (Ellis Creek, Willow Springs, Carlotta, Barrabup, Sussex, Bidelia, Wheatley)
- Historic railways linking mill sites to settlements and landings
- Blackwood River
- Early settlement transport (horses, timber haulage)
- Garden area between Melo Velo and Old Roads Board Building
- Clean air, healthy water, healthy foods, natural environment
- Heritage and old buildings
- Brockman St arboretum
- Hills around the Blackwood Valley region
- Nannup War Memorial
- Bowling Green in its current location
- Jacaranda trees down the main street

- New Years Day Cricket game
- Summer crossing ‘open picnic’
- Old Railway bridges
- Nannup Music Festival
- Bush around town
- Friendly nature of the people
- Peace and quiet
- Old School site (Gussie’s Mill)

Challenges

- Local, Regional and State Planning Policy that doesn’t recognise the heritage values of local areas
- Planning controls that restrict land use so that people can’t engage in activities consistent with heritage values (trail development restricted to cyclists and walkers)
- New residents demanding changes often not wanted or desired by the rest of the community who may not be as vocal
- Salt in the Blackwood River
- Cultural buildings and public artworks on Council’s Disposable Assets list
- Increased water restrictions, lower rain fall, shortage of fresh water and increased heat in summer
- Absentee landowners
- Half-finished subdivisions
- Lack of finances to complete projects
- Blackberry and weed invasion
- Attracting young families to town
- Closure of Nannup Timber Mill
- Volunteer burnout
- Legislation that impacts on events and festivals
- Number of tourists to town and impact on natural environment sites
- Lack of finances to maintain and protect cultural sites
- Encroachment by development on cultural sites

The Cultural Plan

Spaces:

The Blackwood River and forests are an integral part of Nannup's history and culture. Floods have been recorded regularly since 1913, with the most recent significant flood in 1982 when much of the townsite was under water. The Flood Tree near the Old Railway Bridge records the annual water level with markers placed on the tree.

The abundance of quality hardwood timber led to a number of timber mills in the region including settlements at Barrabup, Ellis Creek, Sussex, Willow Springs, Carlotta, Bidelia and Wheatley. Exhaustion of concession areas and the transfer of operations to Nannup led to the dismantling of the mills in 1925 where the timber industry is still alive today at Nannup Timber Processing. The Nannup Arboretum on Brockman St is the result of an experimental planting of trees to see which ones thrived in the area. The Asplin Arboretum was planted on Mt Folly from 1968 - 1972 by the Forestry Department to determine the most adaptive pine trees for production.

Many residents live in this area because of their connection to the forests and the river. The impacts of fire and floods are constant considerations with events and our day to day lives. Community members value the heritage associated with the river and the forest and acknowledge the difficulty faced by the early settlers.

The following recommendations are a combination of "carry forward" and outcomes of community consultation and identified projects that could be developed:

RECOMMENDATION 1: To document and interpret the timber industry and mill sites in the region, including the personalities and generations of families that have worked in forestry.

RECOMMENDATION 2: Document where old bridges were constructed in the region and interpret the town swimming pool in the Blackwood River, near the Riversbend Caravan Park.

RECOMMENDATION 3: Map the Nannup scarred trees and original Bibbulmun track north of town and to the Boranup Forest.

RECOMMENDATION 4: Document the Indigenous history of the region.

RECOMMENDATION 5: Document wildflowers, birds and flowers of the area and promote them, including the extension of the Foreshore Park (Single Men's Hut site) and the planting of native flora.

RECOMMENDATION 6: Develop and promote a local Art Trail (similar to the Margaret River Open Studios concept)

RECOMMENDATION 7: Create murals on the Eziway and Bottleshop walls.

RECOMMENDATION 8: The Arboreta's at Willow Springs and Asplin Road to be conserved, interpreted and promoted.

Nannup has a comprehensive calendar of events that involve many members of the community, including the Nannup Music Festival, Nannup Flower and Garden Festival, Nannup Art Festival, Nannup Cup, Making Smoking History Forest Rally, Festival of Country Gardens, Woodaburrup Cup, Boat Races and more recently cycling races, rides and events.

The Council and community has embraced ‘ The Garden Village’ concept for the town and much effort is put into the streetscape and gardens with annual plantings of tulips, bulbs and annuals. Several of the events and festivals focus on this theme and community groups maintain gardens and reserves including the Community House gardens and Reconciliation pathway near the Old Railway Bridge.

The Friends of the Foreshore maintains the reserve land along the railway line near the river, clearing weeds and planting endemic species.

The Nannup Music Club, Nannup Arts Council, Nannup Community Resource Centre, Nannup Historical Society and Nannup Men’s Shed each has their own premises which assists to build their sustainability. Community House which is located at Number 2 Brockman St is a collocation of several organisations and groups. The Friends of the Community House are currently fundraising and seeking funding support to renovate the building, making it more user-friendly and environmentally sustainable.

The Foreshore Park and Nannup Amphitheatre are being developed to encourage economic growth and venues for social participation and inclusion. Infrastructure including the stage and sound shell, market stalls, temporary fencing, water, power, parking and toilets assists to reduce costs for organisations presenting events and build a venue that is of regional significance.

The Nannup Film Society has installed cinema equipment into the Town Hall, presenting fortnightly films through a community cinema model.

Ground lighting in overflow camping area	2 years
Concert parking across bridge	1 year
Shade at front of market stall area	1 year
Solar lights at each end of Railway Bridge to be fixed or replaced	1 year
Permanent roof on stage	3-5 years

The following recommendations are outcomes of community consultation and identified projects that could be developed:

RECOMMENDATION 9: Continue development of infrastructure at event venues throughout the town as per Council budget allocation, community group contributions and grant funding availability.

RECOMMENDATION 10: Undertake a youth arts program focused on the Foreshore Park.

Places

The Village Green (also known as Forest Park) was named in honour of Fred Green's grandfather J.T. Whittle, who assisted to build the Bowling Club, Town Hall and Supper room. In 1908 a tennis court was constructed on the south eastern border of this area where the picnic table is now located. Mr Whittle had moved to Nannup from England where the Village Green was a focal point of a community and he missed having this space. When the buildings were constructed, the area between all of these facilities became known as the Village Green, as was the tradition in England.

The area between the Old Roads Board building and Melo Velo was originally a Council Depot. In the early 2000's the area was planned for the construction of the TimeWood Centre building. During the development of this project there was resounding community support to retain this area as public open space and for community events and activities.

Tank 7 is a Department of Environment and Conservation site with a fire supply water tank to the East of Nannup on Brockman Highway. Historically it has been a great picnic and lookout across the townsite. More recently it has been informally used as a downhill mountain bike site. Access to the site is via Department of Environment and Conservation land and easements. Minimal improvements are required to the site which would be a multi-activity recreational site.

Consultation indicated strongly that young people strongly connect with the skate park and would like to see this developed further, incorporating cultural elements into the design.

Ellis Creek Mill site is located on the Balingup Rd, which is identified as one of the most scenic drives in the South West. Ellis Creek Mill site is a heritage site on Department of Environment and Conservation land surrounded by native jarrah and karri forests. This site is located within a fragile environment and development would need to be sensitive to this. The Department of Biodiversity, Conservation and Environment (DBCA) and the Shire of Nannup have conducted site visits of these sites to consider development issues. The development of these sites would assist with current risk management issues and add to the bank of heritage and eco-tourism sites along the Balingup Rd.

The following recommendations are outcomes of community consultation and identified projects that could be developed:

RECOMMENDATION 11: To formalise the name of the area as the Village Green and to signpost it appropriately.

RECOMMENDATION 12: To undertake community consultation to formally adopt a name for the garden between the Old Roads Board Building and Melo Velo.

RECOMMENDATION 13: To develop the Ellis Creek Mill site in conjunction with DBCA and community groups, whilst consulting with neighbouring properties.

RECOMMENDATION 14: In consultation with youth investigate upgrades to the skate park, with cultural features incorporated into the design.

RECOMMENDATION 15: Heritage buildings vested with Council are moved from the disposable asset register and a maintenance schedule is developed and initiated.

RECOMMENDATION 16: Establish Gussie's Mill as an eco- tourism site with free camping.

RECOMMENDATION 17: The Mill at Donnelly River Village conserved and promoted along with cultural and heritage buildings and sites in the townsite.

Community

Nannup is a vibrant community and many people live here because of the environment, caring nature and friendliness of the people. The town relies heavily on volunteers for many of the day to day activities, service delivery and events.

Many artists reside in the community and participate in cultural activities. Public artworks have been donated or created by artists as part of projects and events including the town entry statement, Nannup Tiger, cycle art bike racks, public seating and the totems.

Nannup has attracted national attention at times as the place where Thylacine's once resided, partly because of reported sightings but also because of a practical joke acted out by locals in the 1970's. This story is alluring for many people because we want to believe that this amazing creature is somehow still alive against the odds a real battler. In some ways we identify with this feisty creature because we are a town that has at times struggled to survive. The tiger has been utilized by local people as a mascot (for the Football club) and an identity for many local businesses used by Nannup Tiger Cottages and the Music Club. Most recently the Business Initiative Group Nannup (BigN) has designed and created the Stripes in the Forest project. Using an App visitors and residents use the technology to locate the Nannup Tigers, located in different locations

Consultation undertaken with youth valued the peaceful environment, friendly community, forest, river, cafes and the skate park.

The following recommendations are outcomes of community consultation and identified projects that could be developed:

RECOMMENDATION 19: Develop a permanent exhibition based on the Thylacine, telling the story of the Nannup Tiger, including its alleged extinction and the risk that faces other endangered flora and fauna by the impact of both white man and introduced species.

RECOMMENDATION 20: Market Nannup as a cultural and artistic centre of the South West, whilst fostering the development of individual artists through partnerships with community groups.

RECOMMENDATION 21: Continue to collect the oral histories of senior residents and identities of our town.

RECOMMENDATION 22: Undertake a youth arts project to create sulo bin stickers that promote Nannup.

RECOMMENDATION 23: Establish Nannup as a centre of excellence in textile artworks and develop a textiles festival.

RECOMMENDATION 24: A database of public artwork is established, with key sculptures moved from the disposable asset register, with insurance and maintenance schedules adopted. Develop and promote a sculpture trail around Nannup.

RECOMMENDATION 25: Establish a creative hub in partnership with the Nannup Arts Council.

RECOMMENDATION 26: In partnership with the Creative Corner establish a program of professional development workshops and performance/mentor opportunities in Nannup for musicians.

RECOMMENDATION 27: A Percent for Art program is developed for new subdivisions.

RECOMMENDATION 28: Identify a location for Nannup specific artefacts and memorabilia to be stored and renovated.

RECOMMENDATION 29: Complete the Significant Tree project.

RECOMMENDATION 30: Conserve and preserve the boiler at the Recreation Centre (currently stored at the Depot)

Conclusion

Where to from here?

The Cultural planning process is intended to be ongoing using a continuous improvement cycle.

The Nannup Cultural Plan will be advertised for public comment and adopted by Council. An annual budget is allocated to leverage grant funding for project implementation and to assist partnership development with community groups.

The key recommendations will then be considered when updating Council's Community Strategic Plan. Community organisations are also encouraged to consider this document in their planning and capital works. It is anticipated that this document will be updated as recommendations are implemented and evaluated every year so that it remains relevant, and stimulates growth in culture and the arts in our community.

24th July 2019

Dear Nicole

The Nannup Garden Village Inc (NGV) would like to thank you for the opportunity to comment on the proposed Cultural Plan 2019.

We are very pleased that the Shire is keen to continue the objectives as laid out, especially the continuation of the Garden Village Theme.

We agree with all the recommendations but of particular importance to us are the following.

- 9 the continued upgrading of event venues. We note that additional event parking is due for completion in 1 year. We hope this proceeds as a high priority.
- 11 & 12 formalisation of a name for the two areas mentioned.
- 15 We agree very much with this and would like to recommend that Community House is included.
- 29 this has been an ongoing project and we would like to see it completed.

We feel that the Flower and Garden Festival, celebrating its 23rd Festival this year is also added to the Cultural asset list.

The Dog and Tea roses are included as a Cultural Asset, these were cut down quite markedly, we would like to recommend that these are allowed to grow back into the trees and make the statement they once did.

There is also a very significant old rose (it is listed in many Heritage Rose Books) on the entrance to town on the right hand side before the bridge, as you come from Busselton; we like to recommend that this is saved, as one has already been lost due to verge spraying.

This area, apart from the white entry statement gates, is also not particular inviting as an entrance to Town and we would like to recommend that it is cleaned up and planted, possibly with some deciduous trees.

With reference to the Cultural improvements recommended completion times could we recommend that the Town hall entrance is completed in one year. As a winter event we always have problems with the doors swelling and impossible to close.

Kind regards
