POLICY

The Council has endorsed a road names list for the district. While noting this, all road names need to be approved by the Minister for Lands following advice from the State Government's Geographic Names Committee and meet their "Road Naming Guidelines."

Prior to any road naming or road name change the proponent is required to submit a written request to the local government along with a plan clearly showing the section of road to be named or renamed.

Any request for renaming a road will be subject to consultation with adjoining/nearby landowners, other stakeholders and as appropriate with the wider community.

The local government will support requests for new road names on the approved road names list without the requirement to separately gain Council endorsement.

Should the proponent submit a name that is not on the approved road list, there is a requirement to gain Council endorsement to the name. the final decision is determined by the Minister for Lands.
